

# Christmas Glog

---

1 gallon organic apple cider

64 oz. 100% cranberry juice

¼ cup organic brown sugar (not packed), or you can use less sugar, or none at all

4 cinnamon sticks, or to taste

1 tsp. whole cloves, or to taste

Heat all ingredients over medium heat. When it just starts to bubble, turn down to low. Keep it on low as guests arrive out of the cold, ladle into mugs and garnish with a cinnamon stick and lemon slice. (Can also use a crock pot.)
